

# BRIAN SAAL WINS TRIP TO THE DOMINICAN REPUBLIC

**BRIAN SAAL WINNER**

Super herfer Brian Saal of Fairfax, Va., has won the all-expense paid trip for two to the Dominican Republic. Brian is looking forward to the trip as only a true cigar aficionado could. After all, the trip includes a personal tour of the renowned Tabacalera de Garcia factory where some of the world's most exclusive cigars are made, including Montecristo, H. Upmann, Romeo y Julieta and Trinidad. Brian says he has always been fascinated by how much goes into the making of a cigar, and he'll finally have a first-hand look at the master craftsmanship Tabacalera de Garcia is so well known for. Brian's winning trip will also include several days' stay at the world-class Casa de Campo resort, where he'll indulge in a little bit of golf heaven playing the devilishly challenging Teeth of the Dog golf course, rated one of the top 100 in the world.

For Brian, herfs are a way of life. He is a member of an informal cigar club called "The Knights of Prosperity" which meets once a month in smoker-friendly locations around Washington, D.C. Brian not only loves cigars but the easy sociability of sharing a great smoke with friends and business associates. He has organized tailgate party herfs at Navy football games, golf herfs, dinner herfs and casual get-togethers on his deck with friends and some good bourbon.

A graduate of the U.S. Naval Academy, Brian went on to spend nine years as a navy helicopter pilot. He began smoking premium cigars on his first deployment to South America. Since leaving the navy, he has ventured into a second career working as a commercial real estate broker in Washington, D.C. His personal cigar favorites include Montecristo White, Romeo y Julieta Habana Reserve, and Trinidad.
